

Shapleigh Shark's Green Team

Hello Green Team spokespersons, parents and guardians,

We are off to a rockin' start, and I'm happy to say that we successfully presented our first, albeit brief, presentation to the 6th, 7th and 8th grade teams this week at the recognition assembly. Fantastic job team!

Here are some things that we have been discussing at our Tuesday morning meetings:

Again, Green Team, I am very happy with the progress that we have made in this very short period of time. A HUGE thank you to all of you that have stepped up to the plate to help raise awareness in our school and community on this very serious issue. You are the pioneers of the Shapleigh School Green Team, and together, we will make a difference!

Forever green,

Mrs. Thayer
